

Taking the metro

With metro line 5 you can reach stop “Pétillon”. From there, take the exit to the “Av. des Volontaires” (which is the one that does **not** bring to the trams). Go right after exiting the station and continue straight ahead until you reach the campus. Continue your route in-between the white buildings on your left, past the bar “Pilar”, until you reach the stairs to building G.

Taking the tram

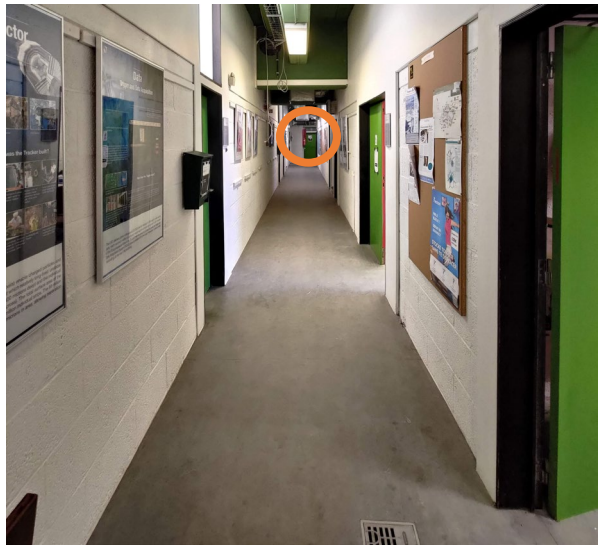

The tram 7/25 drops you off at station “VUB”. From there you walk along the soccer field, until you see a ramp up to the “Esplanade”. Follow this walkway all the way to the end, to the last entrance of building G.

Taking the bus/train

By bus line 95 or train, you arrive at “Etterbeek station”. Walk past the train station and cross the road. You can enter the campus on your right. Walk along the right of the oval shaped building and you will encounter the ramp leading up to the “Esplanade”. Follow this walkway all the way to the end, to the final entrance of building G.

Coming from Pilar/metro

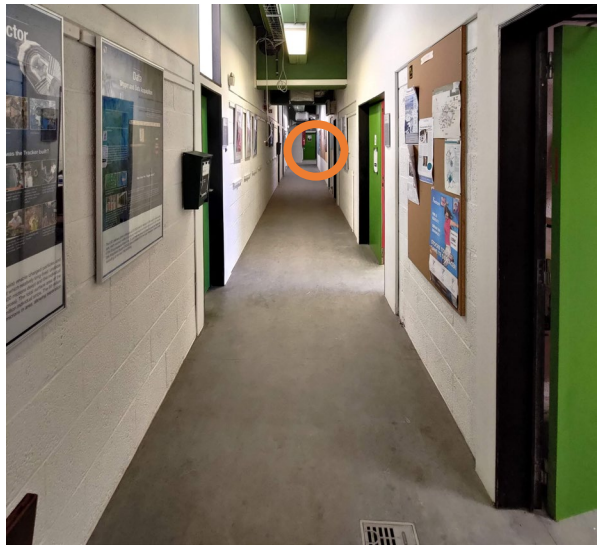

Walk up the white stairs to reach the level of the Esplanade. Take the entrace in front of you, to enter building G. To reach the offices, walk through the doors on your right immediately after the elevators. Follow the corridor until the very end, there you will find the “social room” and our office.

Coming through the Esplanade

Follow the Esplanade to the very end, the last entrace of building G. Do not enter the building through the F-G entrace, as our offices are not reachable from there. To reach the offices, walk through the doors on your right immediately after the elevators. Follow the corridor until the very end, there you will find the “social room” and our office.
